

Everything You Need to Know About Chesterfield Pagans Lammas Camp Plus The Ticket Order Form

Please read these terms and conditions before applying for tickets. The ticket application form is on page 5. Once you have read these pages, please indicate on your ticket application form that you agree to abide by these rules/conditions. Failure to do so will result in your ticket request being denied.

Tickets

Tickets are limited. We reserve the right to refuse ticket applications without giving a reason. Tickets will be sent out by mail once payment is made and cleared. These tickets must be presented to the Information/Welcome tent at camp, when you check in. No ticket = no entry! You will receive a 'tent label' on checking in which must be displayed in a prominent position on the outside of your tent. Please ask a member of the crew if you are unsure. The person who orders the tickets is responsible for all members of their party knowing the camp rules!

Arrival

Please do not arrive before 2.00pm without prior consent. Early arrivals for disabled people only who may need our assistance.

On arrival please report to the Marshalls (if they are there) at the entrance to the first field. The Welcome tent will be at the entrance to the camping field. Also, there is a steep hill to climb in your vehicle to get into the camping field, which can be difficult in wet weather. Please follow the instructions the Marshalls will give you about this hill and where you must camp/park. Marshalls will also be in the main events/camping field and you must follow their instructions should they give you any. We will try our best to help you if necessary!

Pitches

There are no set pitches. We cannot save any spaces for anyone and NEITHER CAN YOU! The pitching is on a first come, first choice basis. If you want to camp next to your family/friends, we suggest you arrive together. Also, be aware that some workshops may be noisy. Therefore, if you want a quieter pitch, you may want to consider pitching further away from the marquees and workshop areas. We also ask that your consideration is given concerning noise when quieter workshops are in progress (i.e. those that include meditations).

Water

There are two standpipes which supply cold water only. Please use these responsibly and be aware that the area around the taps may get very muddy! These are the DRINKING water taps. Please, in your own health interests, do not use the water from the portaloos as drinking water!

Toilets

The toilets are eco long-drop toilets, but we do supply a number of Portaloos. There are also two eco toilets at the bottom of the first field. We also provide gents with urinal area. There is no hand washing facilities, other than the cold water supply and in some of the Portaloos.. You are responsible for your own hygiene standards.

If you are using camping toilets, you must use biodegradable toilet fluid only and empty these in the **long drop toilets**. Do not empty them in the hedgerows! Female Urine upsets the Ewes and this is a nasty thing to do. **DO NOT** empty them in the Portaloo's either! These fill up very quickly and emptying your personal toilets into these will ruin the toilet system for everybody!

Please leave all toilet areas in a clean condition, as you would wish to find them. If you 'miss aim' please wipe the seats!

We supply toilet paper for your use, but it would be good, and save us a lot of expense, if you bought your own.

The farmer has also supplied small waste bins in the long drop toilets for you to dispose of sanitary wear, baby's nappies and any wipes you may use. We will endeavour to empty these bins regularly but should you find them full, please report this as quickly as possible to the staff in the Information Tent.

Showers

There are **NO** showers or hot water! You are responsible for your own hygiene needs.

Cars

All cars/vans must park in the first field unless you have a Disability Blue Parking Badge and you have told Cherill about this. We shall require proof of the badge holder's identity on the site.

You will be allowed to drive onto the main field to unload but then you will need to go and park in the other field.

Small motor homes will be allowed on the camping field, but larger ones will be asked to park in the first field.

Caravans can park in the main field but **your vehicles must go into the first field**.

This change is due to the cramped conditions of 2014 and the increase in larger vehicles/caravans.

Non-compliance with the parking rules will result in you being asked to leave the site.

Vehicles are parked at owners own risk. The organisers take no responsibility for any vehicle. We suggest that you lock any valuables in your vehicle. The organisers cannot be held responsible for missing items.

Children

Please be aware that there is a very steep cliff on the field above camp, so do not allow your children to wander unaccompanied in this area.

IT IS VERY DANGEROUS!

Please do not allow children of any age to play on the Hay Bales or in any part of the farm yard, by express wishes of the farmer!

Some workshops may not be suitable for small children. This is entirely at the parents' discretion but they may be asked to leave if the child disrupts a meditation. Please be aware of this.

Dogs

Dogs are welcome but **must** be kept under control **at all times**. There are children and livestock around (and adults!).

All dog mess **must** be cleaned up and put in the long drop toilets. You must use Eco bags for this purpose! Eco bags will be available if required at the Welcome Tent.

Please be aware of the safety issue with dogs on tethers or long leads. People do not always look for ropes or leads when walking round!

Please do NOT approach any dog without the owners' permission!

If ANY dog is found off a lead, or if any owner is found not to be cleaning up their dogs mess, they will be asked to leave the site immediately, or to take the dog/dogs and place them in nearby kennels. This is your choice!

Stalls

You are welcome to put a small stall in the Goblin Market on Sunday Morning FOR FREE! However, due to the increase in insurance costs, we ask that you have your own **Personal Liability Insurance**. We will need to see proof of this insurance and a copy of your certificate **must be on display on your stall at all times**. If you have your own insurance, you may put up a stall for free. If you genuinely can't afford this insurance, we will ask you to **sign and display a disclaimer** making you solely responsible for your stall and items you are selling, plus you will need to pay £10 for your stall. Please note that you are responsible for your own stall and goods displayed on them. The organisers will not accept any responsibility or liability concerning any aspect of your stall. You will also need to bring your own table, chairs etc.

Fire-pits

There are a few fire-pits available to loan, but you can bring your own. However, they must be kept off the grass! You **MUST** bring **YOUR OWN** wood to burn or logs can be purchased from Bob the farmer! **We do not supply you with logs!** Anyone caught stealing logs intended for the central camp fire and paid for by us, will be asked to pay a fine of £10 or asked to leave, at our discretion.

ANY aggressive or violent behaviour will be dealt with by **INSTANT EVICTION!**

We have qualified First Aiders on camp should you need them. Please go to the Welcome Tent if you require help. The Welcome tent is also the place to go to with any enquiries or complaints.

We also have Health and Safety Officers on site should you require advice.

There are fire points around the camp. Please familiarise yourself with the location of the fire buckets. In case of a fire, please alert the crew and anyone in your immediate vicinity as quickly as possible.

Camp closes at 2.00pm.

Please leave by then and take your rubbish with you! It is imperative that ALL rubbish be taken away with you. If we find any rubbish left by you, we will refuse to sell you a ticket for future camps.

So in Short:-

Please be kind to one another!

Keep your area pretty.

Respect the environment.

Look after your kids, pets, cars and stalls etc.

And:-

HAVE A BLOODY GOOD TIME!
Looking forward to seeing you all,
The Lammas Camp Organisers & Crew.

p.s. Workshop info and sheet is available to download at www.chesterfieldpagans.org and from the Chesterfield, Derbyshire Pagans Facebook site from late June/July but may be subject to change.

The Ticket application form is below. You can send in the form to Cherill by post or by email. **If you are sending by email, please copy and paste the completed form into a new document to send as an attachment.** Thank you! The form is also available in PDF format.

You may pay by Paypal, Direct Bank Transfer, or Cash at our local Moot or Drumming. If you must pay by cheque, please contact Cherill first.

ONCE I HAVE RECEIVED YOUR APPLICATION FORM I WILL SEND YOU THE PAYMENT DETAILS YOU HAVE INDICATED BY EMAIL. Payments made before 1st May will be at the lower rate. Payments made on or after 1st May will be at the higher rate.

The postal address to send your form to is:-

C. Royce-Dexter
82 Kirkstone Road,
Chesterfield,
Derbyshire,
S41 8HE
